- From I-195 (heading east or west) take Exit #12 - Faunce Corner Mall Road (South)
- Once on Faunce Corner Mall Road, travel about 5 lights to the end of Faunce Corner Mall Road/intersection with Route 6 (this intersection has a Mobil station on the southeast corner). At this intersection you should be in one of the left two lanes. Take a Left onto Route 6 heading East. You'll want to be in the right lane after the turn onto Route 6.
- Travel East on Route 6 until the next light and turn Right onto Tucker Road. This intersection has a Dunkin Donuts on the SE corner.
- Travel 2.1 miles on Tucker Road to the farm. You'll continue through 1 stop sign (allen st.) and pass the Hawthorne County Club before you should start looking for the farm.
- The farm has a white fence surrounding the field with a sign for the Dominican Sisters (and our mailbox 858 Tucker) right before driveway. There is a stonewalled driveway leading to the farm.
- Turn right into driveway. At the end of the stonewall, follow drive around to right of the garage to the smaller "farmhouse" (right beside the greenhouse).
